Request for Accommodations for a Student with a Disability

If you are a student who has a documented disability, submit this form along with documentation of your disability. In post-secondary education programs, it is the student's responsibility to advise the college of his/her disability and to request academic accommodations. By signing this form you are formally requesting a review of your disability, and your eligibility for accommodations. The Disability Team will notify you in writing of the accommodations for which you are eligible. If you require accommodations that have not been approved, you should consult with the Disability Counselor for special requests. All accommodations are in compliance with the American Disabilities Act and Section 504 of the Rehabilitation Act of 1973. The Disability Counselor is prepared to assist you in providing any special services or accommodations deemed necessary to assure a successful and rewarding time at Carteret Community College.
