

2021–2022 Student Aid Eligibility Worksheet for Question 23

Student ID: _____ First Name: _____ Last Name: _____

You reported on your Free Application for Federal Student Aid (FAFSA) form that you had a conviction for possessing or selling illegal drugs or because you left question 23 blank.

Complete this worksheet to determine if you are eligible for student aid. These are the possible eligibility results:

“1” means your eligibility for federal student aid is not affected by question 23.

“2” means your drug conviction(s) affect eligibility for federal student aid for part of this school year. To receive federal student aid, you need to provide the Office of Financial Aid your “eligibility date” from question 11 on this worksheet. You can become eligible earlier in the school year if you complete an acceptable drug rehabilitation program or pass two unannounced drug tests administered by an acceptable drug rehabilitation program. Even if you are not eligible for federal student aid, you may still be eligible for aid from your state or Drexel University.

“3” means you are not eligible for federal student aid for this school year unless you complete an acceptable drug rehabilitation program or pass two unannounced drug tests administered by an acceptable drug rehabilitation program. Even if you are not eligible for federal student aid, you may still be eligible for aid from your state or Drexel University.
