REQUEST FOR CONSIDERATION OF A CHANGE IN DEPENDENCY STATUS
2022 - 2023

Eligibility for assistance is based on the assumption that students and their parents are primarily responsible for paying for education. *If the directions on your financial aid application instruct you to provide parent information, then by law you are dependent on your parents.* In extreme hardship cases, the Financial Aid Office may be able to assist a student who is technically dependent. This will apply to situations where the student's physical or emotional welfare is jeopardized by contact with the parent(s) or it is impossible to reach the parent(s). In such cases, the student must complete this form and provide separate written documentation from a third party professional (e.g. minister, psychologist, social worker, high school/college counselor, etc.) on professional letterhead.
