Associate Degree Nursing	NUR-111 (Intro to Health Concepts)	Testing	383.21 FA2022		This fee is to cover a comprehensive Student Success program (called NurseThink) that includes preparation for taking the national certification exam (NCLEX). This bundle includes testing throughout the 5-semester program, a Student success bundle include 3 different books, access to Clinical Judgment Simulations, and a one day PREVIEW orientation during the 1st semester and a 2-day REVIEW NCLEX preparation as well as testing fees through a second vendor (Examsoft). If the college pays for all students in two divided installments there will be a 3% discount. The total quoted price per student = \$599 x 3% = \$581.03 divided by 2 = \$290.51 This fee covers: \$290.51 for the NurseThink program for Aug 2022 - Dec 2023 PLUS \$92.70 for the Examsoft fees for the same time frame.	Seated, Online, Web-supported, Hybrid, Synchronized
	NUR-111 (Intro to Health Concepts)	Clinical Onboarding	119.00 FA2022		The fee covers the cost of background checks, drug screens, and onboarding requirements of clinical facilities.	Seated, Online, Web-supported, Hybrid, Synchronized
	NUR-111 (Intro to Health Concepts)	Lab Fee	51.00 FA2022		The fee will be used to purchase simulation supplies, and access to an online educational program that will be utilized throughout the entire program.	Seated, Online, Web-supported, Hybrid, Synchronized
	NUR-111 (Intro to Health Concepts)	Testing			With the onset of Covid-19 restrictions in attending clinicals on site at clinical facilities, we discovered a Virtual Clinical Simulation website that is aligned with preparing students for NCLEX testing and promotes critical thinking. CARES act funds purchased access for our students initially and it helped us achieve our goals so that students could progress. Faculty have found it to be a valuable resource to supplement current instruction and enable students to meet clinical time requirements. This fee provides continued access for students that expect to graduate in May 2022.	Seated, Online, Web-supported, Hybrid, Synchronized
	NUR-112 (Health-Illness Concepts)	Lab Fee	15.00 SP2023		Fee covers offset of supplies used during lab	Seated, Online, Web-supported, Hybrid, Synchronized
	NUR-112 (Health-Illness Concepts)	Testing	383.21 SP2023		This is the second half of the total cost for the NurseThink program covering an NCLEX preparatory curriculum and testing throughout the program plus the per semester cost of Exam Soft testing.	Seated, Online, Web-supported, Hybrid, Synchronized
	NUR-211 (Health Care Concepts)	Lab Fee	76.00 FA2022		Offset cost of supplies for use in lab; access to an online educational product that is used throughout the program.	Seated, Online, Web-supported, Hybrid, Synchronized
	NUR-211 (Health Care Concepts)	Testing	257.00 FA2022		For the Fall of 2022 only, this current cohort (Class of 2023) will be assessed a fee of \$257 to cover the cost of implementing the new testing solution from NurseThink (see attached proposal) to ready the current cohort to take the NEW NexGen NCLEX test upon graduation. The new testing vendor will provide exams using the new item types to prepare students for the NCLEX they will take upon graduation. The NurseThink cost for this cohort only will be \$165 to cover 2 their final 2 semesters PLUS the \$92.70 for Exam Soft = \$257 for Fall 2022 (NUR 211).
